

1854

ELECTRIC GRIDDLE

Powerful and versatile, the Parry 1854 electric griddle is an essential for the modern commercial kitchen. Perfect for cooking meat, fish and vegetables. Aesthetically pleasing, it's manufactured from high grade stainless steel, ensuring durability and ease of cleaning – while the thermostatic temperature dial and mild steel polished plates guarantee absolute cooking control and even heat distribution. The built-in fat drainage drawer allows for continuous use, reducing the time it takes to remove waste from the griddle surface.
